United Septic & Maintenance
3 visits per year - once every 4 months

Map Key: _____ ID: 1326

This is to Certify that the above RESIDENTIAL septic system has a RENEWED maintenance contract agreement per COUNTY standards for your on-site septic system, as required.

Inspection reports (every 4 months) by United Septic & Maintenance will be filed with TCEQ/TOWA, as required by County regulations. A weather proof tag will be attached to the control box, showing the month that each inspection was made.

Items included in the quarterly Inspection Report will include:

- ❖ Assessment of control box and all electrical components
- ❖ Assessment of sludge levels and cleaning of air filters
- ❖ Overall operation and maintenance of system
- ❖ Immediate notification to the owner by phone or in writing of any improper observation that will require repairs to ensure proper operation of the system
- ❖ Filing copy of inspection report with the appropriate authorities

Customer concerns will be responded to within one business day by telephone, and if deemed necessary: a visit to the property will be scheduled within 48 hours of the original contact. Service calls or emergency calls outside of the inspection date will result in a \$95.00 service call fee.
